| Dear Ed, | |
|----------------------------|--|
| We have processed the quo | te on preparing spares documentation |
| on | However before submitting it to you 25X1 |
| formally, I'd like to give | e you advance information on how it came |
| out and how it compares t | o the documentation. Attached is |
| a summary of the various | elements showing an estimated cost per |
| item as developed from ou | r estimate and a comparison with |
| The system itself is 4 to | 5 times as complex and the AGE is probably |
| 10 times as complex. Also | more documentation items are included in the |
| lists5 as compar | ed to is. Anyway by item we estimate our total |
| bid including 8% fee as f | ollows: |
| 1. System PPB | \$ 3,157 |
| 2. System NPL | பிடிவுக |
| 3. ACE Figure 1 | 1,000 |
| 4. AGE NPL | 8,586 |
| 5. AGE Common I | teus 99 |
| | \$26,860 |
| I'll be back Tuesday, but | in the meantime if you have any questions |
| you might call Roy or | 25X1 |

Best regards,

Bob
